ADDITIONAL FEATURES

COMMERCIAL-GRADE WHEELS

Tough co-polymer wheels feature precision ball bearings for long life with less downtime and lower replacement costs. These large 9"x 2" wheels also provide a light footprint that is easy on turf.

RECYCLER® CUTTING SYSTEM

Patented Recycler Cutting System directs grass clippings deep into the turf to provide a "just bagged" appearance.

REAR BAGGING SYSTEM

The wide opening and ramped profile of the tunnel maximize bag fill.

EASY EMPTY BAG

The large 2.1-bushel bag features an easy-empty design, making quick work of clipping disposal.

4 POINT HEIGHT OF CUT

The robust design provides maximum life and durability. Front spring arms are contained within the wheels for ultimate protection. Cut in more conditions with heights ranging from 1" to 4.5".

STEEL DECK WEAR PLATE

Extend the life of your mower deck with replaceable steel wear plates that protect against bottom and side impacts. *(select models)*
